Behaviour Expectations: Any excursion, including this one, is exciting and allows students to be away from their parents and home routines. However, your child is representing the school and as a consideration to other students, teachers and the public, it is expected that students will continue to follow our school rules and values of being a safe and respectful learner. Students on excursions interact with the public and are representative of our school and community. Students are briefed on the expected standards of behaviour and applying the school's rules.
