## Welcome to Term 3

There are plenty of student and community events happening this term so keep a look out for notes in those school bags and dates in our newsletter. Our Education Week display and performance at Lavington Square allows us to celebrate successes in student learning. The up-coming Writing Evening for Parents will help to increase our understanding of what and how students develop the complex skill of communication through writing.

Yesterday staff attended the Northern Spirit Learning Community Albury Conference to learn more about teaching and learning for students of the 21<sup>st</sup> Century. The speakers all had a common theme running through their talks about the importance of learning habits like collaboration and resourcefulness as skills for life.

Some of our students will also be supporting the Woolshed Land Care Group with their tree planting program. The ground should be easy to dig in this cold and damp weather.

We will be able to welcome Mrs Kane 'on board' for our Education Week celebrations in week three. She is currently still on leave.

Stay healthy.

*Mrs Courtney*

My sincere thanks for your best wishes on my retirement, the gorgeous gold chain from the students and farewell assembly on my last day of school.

I have been proud to have been associated with Thurgoona Public School and will no doubt miss you all.

But I will keep in touch with all that is happening. As I have said to the students, I will see you around - more than likely at the shops.

Best Wishes

*Joan Courtney*
