Developing leadership skills and social responsibility

Principals Message

This Friday is National Walk Safely to School Day. It is an annual event to encourage children to walk and commute safely to school. Parents and carers are encouraged to walk to school with their children and reinforce safe pedestrian behaviour. Key objectives of the initiative are:

- To promote the health benefits of walking to school and help create regular walking habits at an early age.
- To help children develop the vital road-crossing skills they need as they become mature pedestrians.

The students who participated in the Zone Athletics Carnival last Friday are to be congratulated on their sportsmanship and manner in which they represented the school. A number of students will now progress to the District Athletics Carnival, successful students are still to be confirmed and they will be notified as soon as possible.

It is a busy time for stage 3 students. This Friday students will be participating in the Paul Kelly Cup at Jelbart Park in Albury. The Lions Club Public Speaking Finals are being conducted and the Premier's Debating competition is commencing.

Thank you to the P & C for organising the Mother's Day raffle. The students who won prizes for their mothers were extremely excited.

Student Safety and Traffic Concerns

I have been asked by a member of the Albury Police Department to remind parents and carers to drive carefully in the school zone and obey all road rules. It is important that motorists drive according to road rules to ensure that students and parents are safe, especially during the high traffic drop off and pick up times.

GIMLET GUM

Over the last few weeks we have been learning about the structure of procedures. As part of our learning, we engaged in an activity where we made popcorn and recorded the steps that we followed as we worked. Following the procedure, we spent time writing up and sharing our procedures with each other.

Below are some photos of our experience and some work samples that we wrote about the experience.

Traffic & Parking

The first small car-park on Bottlebrush St is a staff car-park and delivery area. For safety reasons we ask that you *do not walk through* this area.

The disabled parking areas in the bottom staff car park and top staff car park can be used by members of the school community with Mobility Parking Scheme concessions.

It is requested that drivers dropping off and collecting children in the school vicinity respect the residents of the area. Some driveways have been blocked restricting access to the home owners. Thank you.

P & C News

Second Hand Uniform Shop - will be open Thursday 18 May 8.30 am.

Mothers Day Raffle results

We hope all our mums had a lovely Mother's Day on Sunday.

Thank you to everyone who supported the P & C raffle. Congratulations to our lucky winners. Jordi Morris, Quinton Jennings, Matilda Coughlan and Bobby Reuss.

Our raffle raised **\$343.00** for the school. A huge thank you to Kami- Lee Kimball and her crew at Flowers by K.R and co for donation the beautiful flowers.
