Relieving Principal: Theresa Kane

Term 2 Week 5

24 May 2017

Developing leadership skills and social responsibility

Principals Message

This term has been very busy with students having the opportunity to participate in a number of activities and events.

Early Stage 1 currently have weekly gymnastics sessions and Stage 1 have been participating in dance.

On Friday all students in K-2 have the opportunity to attend the **Kaboom** percussion session at the school. The permission note has been sent home and must be returned for children to attend the session.

Congratulations to the two Premier's Debating teams who won their first debates when they debated against Henty Public School last week. Mrs Ward works regularly with the students, developing their debating skills and strategies as well as supporting students to understand the importance of working together as a team. In the Premier's debating competition students are given the debate topic one hour before they debate and they have no adult assistance to prepare the debate.

Today all teaching staff is participating in a **Northern Spirits Community of Schools** professional development session. Staff will be working in stage groups to develop rubrics to be used for lesson observations and to develop strategies to support teaching and learning across the learning community.

Theresa Kane

Relieving Principal
