Term 1 Week 3

14 February 2018

*Providing the foundations for life-long learning*

## Principal's Message

It's been a great start to the year with all classes busy and very settled. Congratulations to our students for making the transition to school such a positive one!

You will be receiving our new **Wellbeing Procedures** document this week. Please take the time to read it and become aware of the procedures and policies under which we work. This document contains information on: Anti-Bullying, Uniforms, Participation and Leadership, Attendance, Transitions, Behaviour and Discipline, Child Protection, Out of Home Care, Students with Special Needs and Disability, Nutrition, Sun Safety, Student Health, Drug and Road Safety Education.

You are also receiving today information regarding **Parent/Teacher/Student conferences** for Kinder/Early Stage 1, Stage 1 and Stage 2. You should already have received Information from Stage 3 teachers, if relevant. Please take this opportunity to meet your child's teachers, share information and set some goals for the year ahead.

A reminder regarding the crossing at the front of the school. Please teach your children to use this crossing when arriving and leaving. We have been made aware that students and parents are crossing between buses and cars on Bottlebrush Street. This is highly unsafe and we strongly encourage you to be a positive role model and use the crossing provided.

We understand the traffic difficulties around the school, and much discussion was had at the P&C meeting on Monday night regarding these issues. Approaches to council have been made and will continue to be made. However, in the meantime we must ensure that our students and parents are safe and do not find themselves receiving penalties from police who regularly patrol the area
