

Thurgoona Public School

Excellence, innovation, opportunity – student success in a caring environment

12th December 2022

Dear Parents and Caregivers,

RE: Classroom supplies for 2023

It assists your child greatly if they are properly equipped for school. On the reverse of this page is a list of student requirements for next year. It would be appreciated if you could ensure that your child has these items to begin their learning at the beginning of the year. If the box is shaded, your child does not require this item.

Please ensure that all items are labelled, as they are the responsibility of the children.

All other stationery and books will be supplied by the school. It is advisable that you regularly check with your child that they have sufficient supplies throughout the year.

Jessica Brooker

Principal

Thurgoona Public School
